# Playright Play Attach

Connect Everyone with Play

It is a two-year programme jointly organised by five NGOs (from April 2021 to March 2023), aiming to provide a series of sports, play, career and social inclusion activities to Tung Chung families through the collaboration among NGOs, schools and corporations in the community. From individual self-development, fostering family cohesion, to enhancing community integration, we strive to build a trustful Tung Chung community.

## Things to do more often

Put down your phone and enjoy playing

Embrace the simplicity of play

Give your child an encouraging nod and smile

Greet and make friends with neighbours

### Say to your child

What do you want to play?

How would you like to play?

Wow, you can play like this!

Let's play again next time!

### Avoid saying to your child

Don't play this way!

Don't do that!

If you ever do this again,  
I won't bring you here next time!

Everyone else is playing  
fine here, why can't you?

## Friendly Reminder

Children must be accompanied by a carer

For hygiene reasons, no eating or drinking in the venue (except water)

Prepare a change of clothes as they may get wet or dirty

Play at your own risk

Photos will be taken at the event
